Bill,

As you know from our previous correspondence regarding your requests for Ms. Wei's availability for a deposition, we indicated that we would look into it. October 23, 24, and 25th do not work.

I also note that I responded to your request for the location of Mr. Kalra's deposition. For your convenience, I've reattached that email and included that information again below.

The location will be Baker & McKenzie's Los Angeles office: 10250 Constellation Blvd, Suite 1850, Los Angeles, CA 90067

If Wei can do a few hours on the 23rd, 24th, or 25th, that would be ideal. I would estimate about 3 hours.

Katelyn,

OK, we will depose Nick Kalra in LA on the 24th.

I would like to do it in person, as well as Ms. Wei. Can she be available on the same day or an adjacent day?

If they will both turn up to your offices, then it would be nice to do one say at 10am and the other at 2pm.

I would like to pin down Mr. Von Boode to a specific date. What about Nov. 14?

With Mr. Gromov's deposition, the 17th next week is no longer available (and I don't know that you have ever cleared the conflict on your side anyway). However, I will get you another date if you throw out some days that do work.

Finally, in light of the court's order, I think it would be a good idea for us to have another call. Can you be available on the 16th or the 18th of this month?

Bill,

As a follow up to my previous email, Mr. Kalra has informed us that he is available on October 24. To minimize the disruptions to his personal and professional obligations, Mr. Kalra has asked if his deposition can take place remotely. There are, of course, no issues on our side. Please let us know if you are amenable to a remote deposition. To that end, we are happy to discuss an agreement whereby both sides take the requested depositions remotely (this would include Mr. Gromov). Please let us know your thoughts.

Thanks,

Subject: RE: Gromov v. Belkin - request for deposition dates

Bill,

I am writing regarding the requested depositions in this matter. With respect to the depositions requested by Plaintiff:

- Mr. Kalra is speaking with his current employer about the deposition and when he'll be able to take time off for the deposition.

- We are still working with Ms. Wei to confirm dates because, in order to appear for an in-person deposition, she will need to figure out childcare for her children. If we are able to conduct Ms. Wei's deposition by Zoom (so she can attend from home), she can be available on October 30 or November 1.
- Mr. Von Boode will be abroad until next week. Since he has been abroad for a number of weeks, he has asked that his deposition be scheduled in mid-November to allow him time to get settled and catch up at work.

You previously stated that Mr. Gromov is available on October 17 for his deposition. We are working to reschedule a conflict, but believe we can make that date work. In terms of the locations of the depositions, we are amenable to taking Mr. Gromov's deposition in Lake Forest where he is located, if we can do the depositions of the Belkin witnesses at Baker's office in Los Angeles.

Thanks,
Katelyn

Katelyn,

I think we have different definitions of what constitutes a "run to the court." It has been three weeks with no offer at all from your side. I am glad to finally see evidence that there's been contact with the witnesses. Let's keep it going.

We are happy to discuss the logistics of where the witnesses will appear and will be flexible on it. But we don't even have an offer from Belkin at all. LA could be fine—please put an actual date and location, of any type, on the board, and we can discuss whether it works. Chicago in fall is also a wonderful place to be. Please make some offers.

I do have specific questions.

- When did Von Boode's parent die, and how long is he expected to be gone?
- How long will it take Kalra to get us deposition dates?
- What is the contact information for Von Boode and for Kalra?

You can also expect a set of 30(b)(6) topics from us soon. I would hope to promptly confer with you on the topics and get some dates on those witnesses as well.

Thank you.

Subject: RE: Gromov v. Belkin - request for deposition dates

Bill,

As I indicated below, we are working diligently to coordinate dates and times for the individuals you wish to depose. Your insistence to run to court despite our communication is unproductive, particularly in light of the fact that we agreed to the discovery extension you suggested. You are certainly entitled to file whatever motion you wish, but we reiterate again that we are working to organize these depositions and to provide dates and times as soon as they can be confirmed.

Moreover, we have come back to you with questions regarding deposition logistics, so we can better plan for these depositions and facilitate the process for everyone involved. To that end, please let us know if you have a location in mind for the depositions you wish to take. As you know, under the Federal Rules, the noticing party has the right to select the location, subject to certain geographical limits. We are happy to meet and confer with respect to the depositions here to determine whether they will be held (i) at a location designated by the noticing party per the Federal Rules; or (ii) in a location more convenient for the witnesses. If the latter, we are happy to host the Belkin deponents at Baker's offices in LA. Let's discuss, so we can reach an agreement to handle the depositions on both sides in a consistent manner.

With respect to the requested deponents, we can presently confirm that:

- Mr. Von Boode is currently abroad due to the death of a parent. Belkin agrees to produce Mr. Von Boode for a deposition once he has returned to the United States. If the court does not extend the discovery deadline per the parties' request, we nevertheless are willing to produce Mr. Von Boode for a deposition after the discovery cut off.
- Mr. Kalra is in the process of confirming with his current employer's legal department that his deposition in this case will not pose an issue with his current employment. We do not anticipate any issues here, but want him to feel comfortable about this process. Following this confirmation, Mr. Kalra will firm up his availability to us.

- We are working with Ms. Wei to confirm her availability and will provide dates shortly.

Please let me know if you'd like to discuss.

Best,
Katelyn

I just got your e-mail in which you said you "hope to revert shortly" with deposition dates. There is no explanation as to why it has taken 20 days since we first asked and we still don't have an answer. Have you made contact with any of these yet? Your predecessor told us you were already in contact with Von Boode. We are putting together a filing for the court.

You can expect us to take them in person.

Dear Belkin colleagues,

This is Gromov's fifth request for deposition dates of Belkin employees, and it's been 18 days since we first asked (September 14). You did not even tell us that Nick Kalra is not a Belkin employee until September 24. You have provided no way to contact Kalra or Von Boode and have left open the door that you might "represent them." That leaves it unclear whether we can ethically reach out directly or not.

Discovery closes October 31 and these depositions may well lead to the identity of other witnesses we want to depose. Time is running out.

If we do not get some proposed dates or witness contact information immediately, we will go to the court and ask for some.

Subject: Gromov v. Belkin - request for deposition dates

OK.

We are requesting the following depositions:

- Norbert Von Boode
- Jen Warren Wei

- Nick Kalra

Please provide us some dates during the first two weeks of October.

We are also going to ask for a 30(b)(6) deposition. However, as Belkin still hasn't concluded its document production, we are not able to do that yet. When will you finish the production?

CAUTION: This email
message is **EXTERNAL**.

Counsel,

As you may know, Patricia Mathy is no longer with Baker McKenzie. I will be taking over this matter in her place, and I would appreciate if you could copy me, as well as my colleague Peter Shapiro (CC'd), on all correspondence going forward. Per Judge Fuentes' June 29 order, the parties have a joint written status report on discovery progress and settlement status due at 12:00 p.m. CT today. We can put a draft together and circulate later this morning.

Thanks,

Katelyn
